The WA Climate Assembly will host its inaugural virtual People's Assembly in January 2021.

This virtual event will bring a diverse group of 80 Washington State residents (Assembly members) together and equip them with the tools and information they need to identify climate mitigation strategies that equitably support Washingtonians of all backgrounds. Strategies and solutions will be brought to the State Legislature for consideration.

Watch the virtual event live throughout January 2021 via Zoom and YouTube. Visit waclimateassembly.org to learn more and watch the WA Climate Assembly process.
